March Display of the Month

Valvoline - Mini Quart 1/4 Pallet

U.S. Display Group produced over 5,800 displays for O'Reilly and Advance Auto Part stores across the country. The large side graphic panels and header showcase the current oil change special promotion.

Customer Quote

"US Display Group is considered a valuable partner to Valvoline by producing the highest quality displays at a fair price. Their sales, design and engineering department are like extensions of my own. They understand the pressures placed on my team by our customers. I put my trust in their ability to take concepts and execute them on time and on budget."
